Overview

Beautiful turn key Sea Ray 340 Sundancer is ready for her new owners. This boat has been a joy on our amazing Saint John River and surrounding lakes. We purchased in 2018 and immediately upgraded & updated many items. There are over \$50k of upgrades & updates into the boat. We ran the boat 5 months each year, then it was wrapped and stored on land with power. We have a rigorous winterization process as well as thorough spring launch check-up. Equipment and engine conditions were always monitored to ensure the boat was always running its best. We cleaned it after every use and have a fine attention to detail, it was buffed and waxed (hull, rails) every spring along with protective spray on fender covers, bimini canvas, and vinyl guard was sprayed onto seats & carpets every two weeks. The new polycarbonate vinyl looks amazing, it has the visibility of normal glass, so you have lots of visibility when operating the boat!

Below is a list of most of the upgrades and updates, we pride ourselves on a well functioning boat:
