SPECIFICATIONS

Overview

The award winning 29.2m/95'10" motor yacht 'Amira' was built by Pearl Yachts in the United Kingdom. Innovative and groundbreaking, AMIRA is also luxurious and breathtaking. AMIRA is admirably combining impressive seakeeping, style and performance on a whole different scale than any other Yacht of her size.

Her interior is styled by design house Kelly Hoppen Interiors and she was delivered to her current owners in July 2019. She boasts 5 staterooms including a very luminous, full beam Master cabin on main deck and VIP cabins on lower deck.

Since delivery, the vessel has undergone significant upgrades making her the most highly specified PEARL 95 on the water. In addition to this, she has had very little use, with only 584 running hours on each engine.
