Overview

The Crocker/Duffy 26 BROWN EYED GIRLS features the respected Duffy 26 hull designed by Spencer Lincoln in 1986. This particular hull was one of a series built by Atlantic Marine and finished off to high standards by Crocker Boat Yard in Manchester, MA. BROWN EYED GIRLS features a generous cockpit area with lots of seating, comfortable interior accommodations and a private head – making her a great day boat with friends or weekender for one couple in style. A head-turner in any port and the epitome of authentic Downeast pedigree.
