SPECIFICATIONS

Overview

Launched in 2018, 29.5m Esmeralda of the Seas is an exceptional example of cutting edge technology, sophisticated materials and contemporary luxury working in harmony with her surroundings. Designed with particular attention given to reducing her environmental impact; next generation engines offer low fuel consumption whilst the specialist onboard water treatment system minimises the effects on marine life. Organic and ecological products used on board further protects the ocean that she cruises. Winner of numerous awards including 'Most Achieved Boat' at Cannes Boat Show, Esmeralda of the Seas exceptional space over 3 decks featuring five beautifully-appointed cabins including master suite on the main deck and four cabins below-deck. Both twin cabins are convertible allowing flexible accommodation of up to five doubles. Interiors are light and airy whilst exteriors offer numerous seating, dining and sunbathing spaces. Esmeralda of the Seas also boasts both stabilisers at anchor and underway, a custom-made Jacuzzi as well as a plethora of watertoys.
