SPECIFICATIONS

Overview

ALL IN is a great cruising sailboat. She offers the comforts of home on the water while also providing great reliability and solid quality for offshore cruising confidence. Off-the-grid comfort is made possible by the addition of solar and wind power, allowing days of anchoring and waterfront privacy if desired.

The roomy interior features two cabins, including the sought-after aft queen stateroom with several hanging cabinets and lots of shelving. The forward "V berth" is roomy with lots of storage and light.

The L-shaped galley is spacious with plenty of counter space, storage and refrigeration, and the salon is roomy, bright and clean: perfect for entertaining friends and family.

The marine head contains a Corian vanity, Jabsco toilet and handheld shower with stainless rod enclosure with new curtain and teak fold-down slat seat.

The Hunter 375 presents a good-sized aft cockpit with plentiful seating, an integrated wheel console, removable teak slot overlaid helm seat, and a sugar scoop swim platform leading to the walk-through transom.

This Hunter is in great shape, having been well taken care of by the present and past owners, and has traveled several times to the Bahamas and along the eastern US coast.

She is ready to sail, and available for anyone ready to purchase, currently on the hard in St. Mary's, GA, a short sail to Fernandina, FL or southernmost Georgia's beautiful Cumberland Island.

Basic Information
