SPECIFICATIONS

Overview

The Oceanis 40CC is truly the product of in-depth study into the expectations of ocean-going leisure sailors with a design of an ideal long-distance cruising yacht for a couple, but with the capability of accommodating four or five people in the greatest comfort. Its hull is remarkable for the long waterline, big volumes and efficient wing-bulb keel. One of the principal advantages of a central cockpit is the safety derived from the height of the cockpit, which is surrounded on all sides. The deck is logical, simple and efficient, with steps in the transom (standard bathing ladder), liferaft fixing point on aft coachroof, solid wooden the full length of the hull, as well as a teak rubbing strake.
