Overview

Rare Blue Water Pilot House Cutter DRASTIC PRICE REDUCTION!!! Unfortunately, "Peregrine" was struck by lightning several months ago while stored ashore for hurricane season. She suffered some interior woodwork damage, most of her electronics are fried, and there's a small hole at the bottom of her keel where the lightning exited the boat to find ground. Her mast has been removed and inspected. She was inspected by a marine electrician and his report of findings will be available as soon as it is received by the owner. The yard where she is stored has prepared a repair estimate (minus electronics replacement) and that is available for review. She is now being offered as a project boat at \$22,000 as/where is. This is a lot of boat with great potential if you are in the market for a project! Please call the broker for further information.

The Kings Legend 41 Cutter was designed by Eva Hollman to be a serious blue water cruiser. Built in Taiwan, they are heavily built solid fiberglass hulls with a lower steering station for when the weather gets inhospitable. Her flush deck design creates an unencumbered foredeck, and her generous fuel and water capacity tells you these boats were designed with long range cruising in mind. The Kings Legend 41 offers plenty of living area with a two staterooms, two heads, pilothouse steering and a comfortable midship galley. Peregrine was a fresh water boat in Lake Superior for many years when her current owner purchased her. She arrived on the Gulf Coast in 2018 after transiting the inland waterways. She has an impressive list of thoughtful upgrades, but her owners cruising plans have changed so they reluctantly have decided to put Peregrine on the market. Highlights Include:

- VW Pathfinder 45 HP Diesel (2783 hours)
- 400W Of Solar (NEW 2018)
- Garmin 9" Chartplotter (NEW 2019)
- Custom Folding Teak Swim Platform (NEW 2015)
- AIS System (NEW 2019)
- AGM Batteries (NEW 2019)
- Victron Battery Monitor (NEW 2019)
- Winchrite Electric Winch Handle
- Asymmetrical Spinnaker and Sock (NEW 2016)
- Folding Steering Wheel
- Autoprop feathering Propeller
- Splendid Washing Machine in Aft Cabin
