Overview

Great Value

2008 Four Winns F224

This 24' foot has spent the majority of its life up on the lift

- Just over 200 hours on a professionally maintained engine
- Hull is in excellent condition
- Upholstery extremely clean

Manufacturer Provided Description

At 23' 8" the F224 includes maximum convenience, with a sink and pressurized water, and a handy trash compartment. A built-in ice chest keeps beverages and snacks cool, and a removable 36-quart cooler is included for extra capacity.

To add to the comfort, the F224 fully enclosed head is fiberglass lined with a screened port light and overhead lighting. Plus, cleanup is a snap with aft and forward showers. The extra spacious integrated swim platform is where entertaining gets serious. Equipped with a roomy lounge adjacent to the spacious swim platform, the F224 is the fun-hub on the water.

Four Winns includes its signature angled, hidden deep-reach ladder with wide step pads for the swimmer's comfort. And, extra options can make the swim platform shine even brighter. Using a center rail mounting system, you can quickly attach a table, grill, fishing rod holders and a tube rack. And, a flagpole and holder can be added to showcase patriotism or school spirit.

The captain will appreciate the sophisticated helm, with rich hand-fitted, top-stitched upholstery and all the innovative touches that go along with the Four Winns brand.

The striking tilt steering wheel is surrounded by beautifully polished wood grain as a backdrop for the controls that are both logically arranged, and very reliable.

Rotary switches, toggle-style controls and push-button activators have been specifically chosen to best handle the task they perform. And, entertainment is now at the driver's fingertips with the Sony stereo conveniently located to the right of the steering wheel. An optional stereo remote control can be requested for use at the swim platform.
