SPECIFICATIONS

Overview

DESIGNED FOR EXPLORERS. MADE FOR ADVENTURE.

Arksen vessels are designed and built to allow owners to explore the globe, with the confidence, comfort, independence and capability expected from a serious, innovative, long-range cruising yacht. Robustness, reliability, efficiency and lifecycle sustainability are key Arksen attributes. Every Arksen is designed for simple operation and low maintenance with redundancy of critical systems. Conscious to reduce the burden on both the owner and the environment, each aspect of the build, systems and services to support ownership are carefully planned out to optimise the use of the vessel to enable life-changing adventures with minimal impact.

The Arksen 85 has been designed to accommodate up to 12 depending on the interior layout. Her enclosed bridge deck offers spectacular views of your surroundings, be it a secluded bay in the Caribbean or a remote corner of the Arctic.
