Overview

BOOK ENDS is a 112' Motor Yacht, built in the United States by Westport Yachts, delivered in 2020. She is Hull Number 62, third of the restyled series representing a new generation of Westport 112s. A paradigm shift, she showcases open spaces, striking stones, and modern materials. BOOK ENDS features exterior and interior design by Westport Yachts, with naval architecture also by Westport Yachts. Her open country kitchen, large and luxurious saloon, and spacious pilothouse are all exactly what you're looking for when it comes to having a social scene, as they are home to comfortable lounges and big windows. The wet bars on both the main deck aft and the flybridge also extend the social scene to encompass all areas of the vessel. She can accommodate up to eight guests in four cabins. *This vessel is being offered with a one-year limited manufacturer's warranty.
