Overview

Clean Outrage 232005 Yamaha 300 w/ 450 hours TRAILER INCLUDED - NO BOTTOM PAINTS
Specs
The Boston Whaler 23 Outrage is a single-minded fishing machine with the size and strength to go where the big ones live. It has everything a serious fisherman needs: easy trailerability, a 360-degree walk-around center console, and a smooth ride afforded by its Accutrack hull system with Unibond construction. The extra-deep cockpit results in a feeling of security when the seas kick up, and stainless steel toe rails hold passengers in while they are leaning over.
