SPECIFICATIONS

Overview

Sea Ray hit all the right buttons with the introduction of the 340 Sundancer in 2003. There have been several 340 Sundancer models in the Sea Ray lineup in recent years, each of which has dominated the market in sales and owner popularity. Wider in the beam than her predecessor with a newly designed cockpit and increased transom deadrise. The sleek styling of the 340 Sundancer was a match for the best European sport boats of her day. Stepping below through a companionway slightly offset to port, the Sundancer's elegant open-plan interior is a rich blend of dark cherrywood cabinets, earth-tone wall coverings, and posh Ultraleather upholstery. Privacy curtains separate the fore and aft berths from the salon and the well-designed galley has more counter space than most cruisers this size. Topside, the single-level cockpit features a big U-shaped settee/dinette (with removable cocktail table) aft, wet bar with refrigerator, and twin captains seats at the helm. An electric hatch lifts to reveal the 340's (compact) engine compartment. The transom storage locker is a handy feature. MerCruiser 8.1L 375hp V-drive inboards cruise the 340 Sundancer at 26-28 knots (low 30s top).
