## Overview

---

'Purrfection' is a beautiful example of Jefferson's Rivanna Series, a modern dual purpose trawler/motor-yacht and one of the very last Jefferson Yachts built in the Her Shine Yard in Taiwan prior to moving production to China. Powered by dependable and recently serviced twin 450 HP Cummins Diamond Series diesels, she is a very capable yacht with cruising speeds of up to 18 knots when desired. If you are interested in a more economical cruise, pull the throttles back to 8 knots and enjoy a miserly 4 gallon per hour with ample range for extended passages. Her features includes a NEW Westerbeke 8kw Genset (Nov. 2021) as is well equipped with full electronics, a Bow Thruster, Washer/Dryer, as well as a NEW 10' Zarmini Tender with a NEW 5HP Mercury O/B. Highlighting a luxurious two stateroom galley down layout with a lower helm and beautiful High Gloss Teak Wood interior with solid teak flooring. She has a fully enclosed, aft deck and the added benefit of a cockpit with a transom door. Her Fly-bridge is large and fully protected with all new Bimini and full four sided enclosure. (2018) and more recent updates in 2021.
