SPECIFICATIONS

Overview

The 44 Viking Aft Cabin Motoryacht was designed to be a fast, comfortable cruising boat with the seakeeping capabilities of the famous Viking sportfishing yachts, but with the creature comforts and ample storage found in a trawler. With hardtops on both sundeck and flybridge, this particular 44 has little canvas to maintain, and there is a hefty davit on the bow for a future tender. Just detailed inside and out, it's super clean and ready for its next owners' adventures!
