SPECIFICATIONS

Overview

Launched in 2007 by Turkish yard Ses Yachts, she was built from an epoxy-laminated mahogany hull to RINA standards. Recently refitted, she can accommodate up to ten guests in five cabins, including a master suite, two VIPs, and a pair of twin cabins. The crew quarters allow for a staff of up to five people.

Her spacious aft deck includes built-in bench seating and an alfresco dining area with room for eight people to enjoy a cocktail or a light meal. Moving inside, her open-plan salon features elegant interior décor. The lounge area boasts two settees, while further forward the formal dining area provides seating for eight guests around a wooden table.

Key features include her upper-deck bar area, with seating for nine, while the raised observation deck has enough room for three sun-loungers just aft of the upper helm station. Highly specified, she features a Bose surround sound system, Condaria air conditioning, and galley equipment by Gaggenau.
