## **SPECIFICATIONS**

#### **Overview**

Up to 12 guests can be accommodated in five large staterooms and a 6th convertible cabin. The light and bright décor, which is complemented by full height windows, has plenty of opportunities for a new owner to quickly make their mark and tailor the interior to their own style. Accommodation includes the spectacular full beam master, full beam VIP, a double and two twin cabin with pullmans. A major selling point is her 6th cabin, versus five cabins on most equivalent yachts of her size. This additional cabin is a bonus both for private and charter use, allowing greater accommodation flexibility.

Key guest areas include the main saloon and sky lounge with a number of different spaces that ensure privacy and variety when on board. The main saloon is a more formal space, with full dining table, lounge seating and an entertainment, while the skylounge has a relaxed vibe with a games table, bar inviting sofas and media set up.

Outdoor spaces are impressive with large exterior decks, including the huge sun deck, and the bonus of a beach club space for relaxing on the water's edge and enjoying water sports. The sun deck has no less than four distinct zones for guest enjoyment including an al fresco dining table, sun pads, a full bar, and Jacuzzi, providing all the ingredients for enjoying life on the water. Her displacement hull ensures excellent stability, a long range and is highly efficient to run, making her well suited to longer or more adventurous itineraries, with zero speed stabilisers for added comfort.

Built in 2014 *FREE DAY* has only been lightly used, with low engine and generator hours, and has always been maintained in exceptional condition. A timeless design is complemented by market leading technologies. Her five-year RINA class survey was completed in 2019 and she is MCA compliant. In absolute turnkey condition she is ready for her new owner to begin enjoying her immediately.

Perfectly set up for charter *FREE DAY* is a savvy investment for anyone looking for a yacht that can immediately begin bringing in charter income return. Benetti yachts have consistently proved a popular choice on the charter market thanks to generous proportions, high-quality construction and clever designs, and retain their value on the sales market for the same reasons. At 132' *FREE DAY* sits neatly in a very popular size bracket that offers plenty of space and good access to most cruising grounds.
