SPECIFICATIONS

Overview

This is a unique opportunity to own a new custom built Novurania 28' Catamaran without the long wait caused by supply chain issues. Most every detail of this boat was customized for this owner. Besides the standard console, front hydraulic bow ramp and twin engine hydraulic jack plate, the top and rear seat/arch were customized. The forward side seating, hand rails and boarding steps were removed for additional deck space which is covered in SeaDek. It has two 8000 series 12" Garmin screens, Garmin sonar, Garmin 315 VHF with AIS 800, VHF Ram Mic, Fusion MS-RA770 and a FLIR M232. The custom paint and appointments make this a hot RIB on the water!
