SPECIFICATIONS

Overview

This very clean 2009 Selene 55 Wide Body was designed and built with so many tasteful and creative features that Howard Chen, designer of Selene's and CEO of the company that builds them, has said that this yacht is the most beautiful and original the company has ever produced.

These unique touches compliment the already distinctive style and grace that so characterize Selene yachts. Beneath all that elegance is an ocean-crossing yacht of Category A ratings, proven for its quality, strength, durability, and dependability. Naiad stabilizers and Sidepower bow and stern thrusters make time under way or maneuvering a joy.
