## Overview

---

ODYSSEA, a 154' Heesen, was custom-built in 2012 for Frans Heesen, the founder of Heesen Yachts. A sleek exterior design by Omega Architects and an inviting interior designed by Bannenberg and Rowell showcase high-end luxurious finishes and meticulous craftsmanship. ODYSSEA is home to a plethora of state-of-the-art amenities. Spend your time together at meals on her vast bridge deck aft, relax on the sundeck in the spacious lounge areas or jacuzzi, then enjoy a movie in her impressive full-beam cinema after a full day of playing on your favorite water toys. Designed as a family yacht, she accommodates up to twelve guests in six staterooms. Heesen always represents individuality and quality in a world where the two are often compromised. She is located in the Free Trade Zone (FTZ) at Pier 66.
