## Overview

---

The new award-winning Azimut Grande 35 is a sleek and sporty Italian design by Stefano Righini. Achille Salvagni Architetti studio adds further Italian design excellence to the interior. This special Azimut Grande 35 Project "Hull 29" was delivered in May 2021 in Hong Kong, equipped with all the upgrade items, included tropical air conditioning system, zero speed stabiliser, navigation, and audio/video package. She is still under warranty with minimal hours on both engines. A rare opportunity to acquire a new 35 metre at an attractive price! Features across her three-deck arrangement include a large upper deck with generous outdoor seating areas, as well as a 30m<sup>2</sup> sundeck. Sun lounges and a splash pool can be found on the forward deck, as well as a jacuzzi. On the lower deck, a 12m<sup>2</sup> fold-out beach club and swim platform is located adjacent to a side garage which can accommodate a 5m tender and 3.25m jet-ski. Her extensive exterior areas make use of teak decking, complemented by a stylish, neutral colour palette across the furnishings. A barbecue and outdoor bar complete her exterior entertainment options, with plenty of deck space for entertaining. This Azimut Grande 35 can sleep ten guests in five cabins including an Owner's suite with private balcony. Drawing upon D2P Displacement to Planing Hull technology designed by Pierluigi Ausonio in partnership with the Azimut|Benetti R&D Department, the yacht delivers the comfort of a displacement hull and the performance of a planing hull with increased fuel efficiency. She can reach top speeds of 26 knots with a cruising speed of 21 knots.

## Basic Information

---
