SPECIFICATIONS

Overview

Ankle Deep is a 42' Lagoon that is both fast and equipped for extended Islands and blue water cruising. She was originally commissioned as a four stateroom charter version, current configuration is more similar to an owners version.

New exterior paint (2013) and both engines have been replaced (2001) and recently (2013) rebuilt. Other new items include all new electrical systems and plumbing, new mast and boom (2001) and new sails (2013). All new standing rigging (2001)and running rigging (2012). The owner also added, during refit, custom dagger boards to allow her to sail a true course with improved performance up wind. All of the heavy lifting has been completed for this vessel. Interior finishes remain for completion by the new owners. Lots of space for additional equipment and options.

Don't miss this opportunity to own a fast and comfortable Catamaran for under 150K

Basic Information

Category: Catamaran

Model Year: 1994

Year Built: 1994

Country: United States

Dimensions

LOA: 42' (12.8mm)

Beam: 22.58

Min Draft: 2' 6" (0.76mm)
