Overview

Boats like the R227 are the reason why dual console outboards are one of the hottest sellers on the water today.

This 2018 Robalo R227 Dual Console is powered by a Yamaha 250hp Offshore 4.2L V6 F250NCA with 6YC Command Link®. This is the perfect 22-footer ready for fishing and taking the family out to the islands. It has a 20-gallon livewell, plenty of space to store fishing rods and gear, a raw water washdown system, tons of storage and cubbies, the list goes on. The boat comes standard with a large enclosed head compartment, a large built-in ski locker, fold down aft bench seat, and multiple bow lockers. This package includes a dual axle lightweight aluminum trailer in great shape with nice aftermarket wheels. The engine has 1084 hours total and a 100- & 1000-hour service has been completed. The boat also received a fresh set of Batteries. It is now turn key and ready to use this summer!
