## Overview

---

Sleek and stylish, the 2020 Intrepid 409 Cuddy W/All Std Features offers all the enhanced accommodations you would expect in a luxury performance cruiser. From a private head with shower stall and separate master berth with queen bed and hull side windows to a forward cabin section that easily converts to a large double berth. But none of it comes at the expense of the most advanced technology and fabrication techniques that deliver an incomparably smooth, dry ride with unparalleled performance. For divers and swimmers, it's packed with thoughtful design features like a hull side dive door with step ladder and grab rails. Entertaining is elevated with cozy, custom seating and a stylish wet bar while serious sport fishermen will take note of the bait wells, rod holders, tank storage, tackle boxes and raw water wash down.
