SPECIFICATIONS

Overview

ELTON is a gorgeous 100' sailing yacht suited to world cruising. Bill Tripp was the naval architect responsible for her timeless line and efficient performance while Donald Starkey created an open and airy layout. Built in composite with a carbon mast and boom she is not only a competent cruiser but well suited to the charter market with four comfortable double staterooms, generous salon and dedicated guest cockpit forward of the helm. Most recently this 30m yacht for sale completed a refit including full Maltese commercial coding, rig service and rune plus an interior refresh.
