## Overview

---

Mrs G is an exceptionally specified example of the CUSTOM LINE Navetta 30 model, which was delivered from the shipyard in June of 2021. With a stunning interior which has been tastefully tailored by the current owners, this is a yacht that epitomises tasteful contemporary design. The Navetta 30 is a true tri-deck and manages to get everything you would expect to find in a much larger Superyacht, into a package that meets the requirements for CE and is also under 24m load line rules. Having completed the summer season in Europe and initial warranty works post season, she is now in Dubai for the winter where viewings can be arranged upon request until Mid-March, before returning to the Mediterranean. Mrs G is the perfect yacht for the owner looking for tri-deck spaces yet keeping the benefits of a smaller vessel.
