SPECIFICATIONS

Overview

The GTM 90 Beach Club is a rare example of a sporty, all-aluminium motor cruiser that despite its compact size is finished to superyacht standards and capable of true bluewater cruising. Completing the Dynamiq GTM (Gran Turismo Mediterraneo) family range, the GTM 90 Beach Club takes all the best features of the Coupé and Sportfisher versions but adds a double-level beach club in the stern for a superlative relaxation experience. The lower level comprises a large swim platform with fold-down bulwarks, TV and wet bar with barbecue unit under the transom hatch. The upper level offers alfresco dining and an additional bar overlooking the aft deck. Not forgetting the lounging space in the bow and the generous sun deck with another bar and more sunpads. Inside is a large Majilis-style main salon and four ensuite cabins, including a full-beam master stateroom amidships, on the lower deck.
