## Overview

---

Kokomo is certainly one of the nicest and most equipped Sunreef 80 power ever built. This 80-footer fitted with twin 1200 HP engines was designed to provide comfort, safety and luxury for private navigation plans including exploration of the Mediterranean and the Caribbean Islands.

Kokomo's relaxing décor relies on light colors and natural fabrics. The yacht's Owners opted for an interior design reflecting the atmosphere of a tropical beach with beige tones, eucalyptus veneers and linen upholstery.

She is equipped at the highest standards, including and not limited to upgrades for the engines, fuel capacity, navigation equipment, air conditioning, entertainment, MLC compliant, including an extended battery pack for night supply at anchor, which means no generators are needed to run the AC and an extended list of water toys.

She is the unique opportunity to purchase a Sunreef 80 Power ready for the season 2022.
