SPECIFICATIONS

Overview

The M/Y Sea Falcon represents a great opportunity to purchase a 27 meters yacht in this category. She was built in 2009 by Falcon Yachts and then meticulously maintained by the first and then second owner.

In 2017 many technical upgrades have been done, including the installation of zero speed stabilizers CMC electric, new navigation equipment, new hard top, underwater lights, 3rd steering station in the cockpit, and in 2021 a new watermaker and part of the interiors more exposed to the sunshine have been repainted.

Sea Falcon is VAT paid and ready for a new owner.
