SPECIFICATIONS

Overview

The Intrepid 377 is a semi-custom sport yacht whose sleek profile and advanced construction set her apart from most conventional express boats of her era. Like all current Intrepid models, the 377 rides on a high-tech, stepped hull with a relatively narrow beam. The versatile deck plan of the 377 is designed to accommodate both weekend cruising and serious fishing activities. The centerline console is located well aft in the cockpit to make room for a large L-shaped settee forward, and the interior includes a compact galley, settee to port, and an enclosed head with a separate stall shower. The helm layout is superb, and an electric windlass is recessed under a hatch on the bow pulpit. Additional features include a low-profile windshield and bow rails, wide side decks, dual-cylinder hydraulic steering, good range, and a transom door. There is a removable aft lounge seat as well as a dive door in the hull side to keep swimmers away from the props. Dual Touch Screen Navigation, Auto Pilot and More.
