Overview

A rare opportunity to own a coveted Ocean Alexander Veloce, a beautifully built yacht that features Ocean Alexander quality of construction with European design influences. With inviting areas to gather on the enclosed flyingbridge, the aft deck, and the warmly appointed salon, she is a wonderful coastal cruiser, as comfortable at a mooring in Catalina as she is entertaining dockside.

JOYRIDE is superbly maintained and updated, and offers all the amenities one would want in a yacht of this size. Especially notable is her brand new (2021) Novurania tender, on a Freedom Lift just off the transom, for ease, convenience, and speed of launching and retrieval.
