SPECIFICATIONS

Overview

New to the market is this highly optioned Seavee that was repowered in 2020 with triple 400 Mercury Verados. Low time, hefty warranty remaining, an extensive Simrad electronics package, and recent 100hr service make this boat a must see for those looking to get in and go!

The 370z makes the most of its hull design. Capable of planing at very low speeds, the 370z can comfortably cruise through the roughest seas and glide across tightly spaced waves at high speed. Turns are sharp, crisp and stable. Reverse chines redirect spray away and downwards, making the ride dryer than most center consoles. Located in Jupiter, FL.

Basic Information

Category: Boats

Sub Category: Center Console

Model Year: 2016

Year Built: 2015

Country: United States
