SPECIFICATIONS

Overview

1995 Fairline 59 Squadron with excellent hull characteristics and its hydrodynamic properties powered by the extremely reliable MAN-D2866LE401 marine engines that develop 680 hp through a 12 liter displacement. In 2017, the hull and the engines were overhauled, the entire interior is newly built and many elements of the exterior have been redesigned. Electrical instillation are also brand new. Complete rebuild was carried out by Monachus Yachts boatyard applying new materials and technology combined with unique design. Rebuild was done under survey of EU notify body/CRS who issued PCA certificate (post construction assessment).
