# SPECIFICATIONS

## Overview

Numarine 26XP Hull #24 is now available with a September 2023 delivery with construction already started. This is an extremely large volume 26m that feels like a much larger yacht due to her large windows and open floor plan. The upper sundeck can be custom configured at the request of the client and can include a davit for carrying a tender & jet skis, jacuzzi, full bar and lounge areas. A large fixed hard top allows for plenty of shade. Standard configuration allows you to carry a tender on the hydraulic swim platform back aft. Her layout sleeps 8 guests in 4 cabins including a full beam master cabin. One of the most impressive features is the 7ft of headroom found throughout the yacht. When looking at this segment of the market and comparing size to price/value/volume the 26XP offers one of the best platforms on the market today.
