SPECIFICATIONS

Overview

The T52 is a 52m displacement steel and aluminum motor yacht currently under construction with delivery in May 2025. This new design, based on a well-proven technical platform, draws inspiration from Baglietto's tradition and at the same time includes unique innovations both in terms of design and technology. The nautical platform has been optimized to install a hybrid parallel system that includes both traditional diesel engines and e-motors supplied by generators or batteries, allowing different configurations and propulsion modes depending on the operational/cruising needs.

Basic Information

Category: Motor Yacht

Sub Category: Displacement

Model Year: 2025

Year Built: 2025

Country: Italy

Dimensions

LOA: 171' 8" (52.3mm)

Beam: 31.16

Max Draft: 8' 7" (2.6mm)

Speed, Capacities and Weight
