SPECIFICATIONS

Overview

The Catalina 34 MKII offers a large boat feel in a very manageable size. She has built a reputation as a classic blend of performance, comfort, and value.

"Exhale" is a well-maintained 1997 Catalina 34 MKII Wing keel version. She has a very roomy cockpit with all the lines leading aft making for easy single-handed sailing. Walkthrough transom and cockpit shower complement the sleek stern design. Below, the MKII is roomy and bright! Coming down the companionway is the large head on the port side and galley to starboard with deep double SS sinks, a gimballed 2-burner propane stove w/ oven, refrigeration system, and microwave oven. In addition to the forward V-berth, the aft cabin has an even larger berth with plenty of light and ventilation. The salon has the electrical panel and nav-station to port, with a dinette that converts to a very comfortable double berth. Easy to handle, solid and reliable, and great for day sails or extended coastal cruising.

Basic Information
