SPECIFICATIONS

Overview

This is a neat looking Downeast Style Cruiser designed to chase Striped Bass in the tributaries and sounds of the New England area. It features a small cabin with V-berth, a head compartment and small galley. It is powered by a single 200 HP Yanmar Diesel Engine with less than 800 hours and has a rigid windshield on 3 sides. The cockpit is huge and is perfect for fishing or coastal cruising. The boat appears to be in good shape but one of the 2 fuel tanks is leaking and will need to be replaced. The boat was donated to a local Maritime Sailing School and they want to turn it into cash to use in maritime education. Offers are encouraged.
