SPECIFICATIONS

Overview

IDEFIX is a fine example of Dutch built quality that has been maintained and operated to extremely high standards by her experienced Owners. She offers a high volume interior thanks to her large 9.0m beam and accommodates 12 guests in 6 cabins. The master cabin has the volume of an equivalent 50 meter yacht, with two bathrooms one with a shower and one with a Jacuzzi. She has an expansive sun deck with jacuzzi, large sunbathing pads and sun loungers. There is a large al fresco dining area aft of the sky lounge as well as a more formal dining area on the main deck. She is comfortable underway and at anchor thanks to her zero speed stabilisers.
