SPECIFICATIONS

Overview

This 60' express motor yacht is designed by the award winning Fancy by Dada interior architects and SFG Yacht Design. This 60' design boasts one of the largest main decks in her class, providing ample space for socializing and entertaining. The Main deck is comprised of two large L-shaped settee's with high-low tables and a large convertible aft seating area.

The swim platform area is reminiscent of a much larger motor yacht, with a large sun-pad /garage at water level that interconnects with foldable side doors. The foldable platforms are large enough to accommodate a small coffee table, deck chairs and water sports equipment. Each one of the foldable doors and swim platforms are equipped with retractable swim ladders.

Moving forward along the expansive well designed and well lit wing decks you arrive to an open bow area with a large comfortable u-shaped settee, that offers panoramic views of your destination.

Interior

The lower deck has been designed as a large open lounge with a concealed master cabin finished to the highest superyacht quality. The master cabin has a king size bed, full height wardrobe and full ensuite head that is shared with the main salon. Different layouts are available upon client request.
