Overview

The 65 Viking Sport Cruisers / Princess Motor yacht ranks among the more impressive European cruising yachts of recent years. Beautifully styled and boasting an opulent cherry wood interior, she was a popular model for Viking with just the right blend of luxury, comfort, and performance. Available with four staterooms (crew quarters aft were optional), highlights include a spacious, split-level salon with Ultra leather seating and aft electric window, circular five-person dinette with cherry table, sunken galley with dishwasher, fly bridge staircase, and an elevated lower helm with two chairs and a power deck door. There are four staterooms forward including an amidships master with walk around queen berth, a VIP bow stateroom, and two guest staterooms with single berths. The aft guest stateroom/utility area also contains washer/dryer combo. The cockpit provides easy access to the lazarette and engine room. Topside, the fly bridge features a hideaway electronics console, wet bar with refrigerator and grill, and U-shaped lounge seating. A good performer considering her size, her 1050hp MANs cruise at close to 30 knots! Notable Features:

- 2021 new Blue water water maker
- Low overall hours at 2650 on the MANs
- Optional 1050hp MAN Performance
- ZF Electronic Controls
- Fly bridge Hardtop
- Bow and Stern Thrusters
