SPECIFICATIONS

Overview

CATCHING MOMENTS *NAME RESERVED*

This Richmond represents the last and best Richmond yacht ever built with tons of upgrades and improvements to her from trials on the previous builds and created to be the last yacht the owner of Richmond yachts would ever build for himself. Below are some of the upgrades and improved design features:

- Twin Caterpillar C32 Acert, 1925 HP main engines with ONLY 3100 hours
- New bottom job, zincs, prop speed, shafts & propellers (Feb 2021)
- (5) New Titanium 5-ton chillers (Jan. 2017)
- Five-year ABS surveys (completed summer 2018)
- New jacuzzi on the bridge (2019)
- All new hydraulics systems (2019)
- Full services to the Cat generators (Jun 2021)

- New Titanium 5-ton chillers (Jan 2017)
- Zero Speed Stabilization
- 3 New Watermakers at 1200 GPD Each (Jun 2021)
- Modern seating and dining area located on the foredeck

- Super soundproofing throughout the vessel compared to previous model Richmond Yachts
- Caterpillar 80KW Generators 120/208 3ph w/enclosure on sound isolator mounts (Port 5,731 hours, Starboard 5,952 hours - Feb 2022)

- Built-in integral fuel tank, lowering the weight in the vessel, making her stronger, and giving her a better center of gravity. This all translates to a better, smoother, and more stable ride
- Super soundproofing throughout the vessel
- Air-conditioned engine room with (2) dedicated air conditioners
- Atlas transformer located in engine room allowing heat to be removed through air tunnels making engineer office area quieter and cooler
- All bilges, tunnels, and steerage compartments are air-conditioned, eliminating rust and mildew
- Upgraded passerelle with tide guard feature
- All outdoor lockers are air-conditioned
- The aft deck is larger and roomier with built-in bar and bar stools and a better layout.
- The layout includes an optional VIP stateroom and a full owner's office on the upper deck.
- Larger windows throughout the vessel compared to previous Richmond Yachts
- State-of-the-art full security system throughout vessel
- The pilothouse features 40-degree rearward raking polarized tinted windows providing a sleeker profile

- Improved galley layout, larger and features a settee area
- Galley refrigerator & freezer compressors are remotely located in the bilge, reducing heat and noise in the galley
- The custom-built mahogany table in the dining salon
- Custom open staircase with art and glass work in foyers
- Sharp 90" HD 3D TV added to the sky lounge
- Samsung 60" HD TV added to the master stateroom
- Windows and closets in the master stateroom are larger
- Viking BBQ relocated to the flybridge for better ventilation
- Added (8) underwater LED lights
