Overview

Winner of Classic Boat Restoration of the Year 2020, Heron II is a beautiful 1936 Fred Shepherd design, now revived with a modern touch to meet the desires and capability of current times. She slices through the swell with a “..good turn of speed” – as reported by Uffa Fox in Racing, Cruising and Design and is roomy and bright inside, with a stylish and practical living space. Inside and out she is a thoughtfully evolved classic, finished to a high standard, in-keeping with her original build.
