SPECIFICATIONS

Overview

This 25.60m Continental 80 is “super open” yacht, a blend of a classic-modern motor yacht with simple and clear spaces characterized an elegant and minimalist design. The indoor space of the yacht has a light wood for the bulkheads and pearly white for the furniture, leather and light wood for the floors, which help to create a bright and welcoming environment. This comfortable fast cruising yacht combines harmony and performance with a maximum speed of 42 knots. The unique floating floor system guarantees zero vibrations. Special features of this Open are its hard top that opens fully electrically, its saloon separated from the cockpit by a glass door and the aeronautical-inspired helm station that provides excellent control. With her 4 cabins she is able to accommodate up to 8 guests, all with their private ensuite. The Master suite and the Vip cabin have interior furnishings in cherry oak. The other two cabins are Twin. Looking aft, the cockpit has an outdoor dining table for 8 guests, as well as a nice large sundeck. The hard top has an awning that can be used aft to expand the shaded area. The area for sun worshipers is located on the deck.
