SPECIFICATIONS

Overview

The 236' (72m) Austal SERENITY was delivered in 2003, she was built in accordance with Bureau Veritas and is SOLAS Compliant. Featuring an eye-catching exterior design by Luis De Basto, SERENITY was completely rebuilt in 2017. This innovative and uniquely styled yacht offers plenty of natural light and mesmerizing views through her large windows and sophisticated interior décor with accommodations for up to 28 guests make her perfect for commercial charter as well as private family cruising. Complete with numerous indoor and outdoor entertaining areas that serve as a social hub with a swimming pool surrounded by sunpads and cocktail areas perfect for relaxing and memorable gatherings.

The upper deck includes a full-beam formal dining room featuring a wet bar with panoramic windows, a cinema/conference room fitted with an extensive entertainment system and a comfortable full-beam salon. In addition, guests can also unwind in the wellness area with a spa, massage room, beauty salon, and full-service fitness club. SERENITY is powered by twin MTU engines with 1,072 hp each and is equipped with at anchor and underway stabilizers for optimum performance. KEY FEATURES:
