## Overview

---

The 61 Davis has long been known for her comfortable ride, interior layouts and overall fishability. She was on the forefront of the traveling era when fishermen began to explore new regions and is a great example of a big rig that was far ahead of her time. The Honky Tonk offers all of these attributes along with a host of upgrades over time to make her a very appealing and affordable, 4 stateroom, 3 head layout in a 61 footer.

With recently rebuilt motors, new hoses throughout the ER, upgraded electronics, ice maker, mezzanine, new strataglass bridge enclosure, a wonderfully appointed interior and a new entertainment center with satellite TV throughout, this boat provides comfortable living while traveling or at the dock. She is also fully rigged to deal with the daily grind of fishing as well and offers a very stable and efficient cockpit to work from.

This seaworthy model is an icon among the boats of her time and recognized the world over. She was built to head into it and her soft ride and heavy construction are what makes her what she is. In today's arm race, she is not a speed demon but if you are looking for a big, comfortable, steady and stable platform for your program, then come check out a boat that offers a lot of what the high dollar big boats do, for a fraction of the cost.

## Basic Information

---
