Overview

2015 Sea Ray 510 Sundancer

ON DISPLAY AT THE PALM BEACH BOAT SHOW!

Immaculately maintained by the current owner, this 510 Sundancer is a must see! The owners plans have changed and it is now available for sale!

Loaded with options including a hydraulic swim platform, Custom Sea Dek (2021), bow and stern thrusters, joystick controls, HD Satellite, LED lighting and underwater lights, and an upgraded surround sound system throughout the boat (interior and exterior)!

In 2013, Sea Ray redesigned this model adding an aft deck sliding door, turning this model into a sport yacht rather than an open express cruiser. The air-conditioned salon or “sunroom” features an over sized L shaped seating area, large windows which fill the salon with natural light, and dual sliding sunroofs! And, with the salon doors open, the space is seamless allowing multiple places for entertaining or relaxing on your yacht!

Complete both bow and stern thrusters in addition to the joystick controls for the Zeus Pods, this 51 yacht’s maneuverability will make anyone dock like a pro!

Please feel free to contact listing broker, for more information or with any questions. He would be happy to discuss this yacht, set up showings, and offer advice on the current market!
