SPECIFICATIONS

Overview

NJORD is a 84ft Motor Yacht, built in Sweden by Delta Powerboats and delivered in 2014. She is one of 5 Delta 88 Carbon models.

Her top speed is 38.0 kn, her cruising speed is 32.0 kn, and she boasts a maximum cruising range of 645.0 nm at 26.0 kn, with power coming from three Volvo Penta diesel engines. She can accommodate up to 8 guests in 4 staterooms, with 3 crew members waiting on their every need. She has a gross tonnage of 72.0 GT and a 21.5ft beam.

She was designed by Lars Modin, who also completed the naval architecture and designed the interior.

NJORD is in the top 10% by speed in the world. She is one of 5208 motor yachts in the 24-30m size range, and, compared to similarly sized motor yachts, her cruising speed is 9.98 kn above the average, and her top speed 11.76 kn above the average.

NJORD is currently sailing under the United States of America flag, the most popular flag state for superyachts with a total of 1473 yachts registered. She is known to be an active superyacht and has most recently been spotted cruising near United States of America.

Delta 88 carbon is the flagship in the series of individual carbon fiber motor yachts built by Delta Powerboats. Pioneering design, outstanding hydrodynamic performance, luxury amenities and an impeccable craftsmanship enable the 88 to deliver the most memorable on-the-water experience.

Her strong and light carbon fiber hull is paired with the latest IPS integration that drives the 85 ft yacht to a 39-knot top speed — with up to 40 percent reduction in fuel consumption and emissions. Joystick controls provide superb maneuverability and effortless handling when docking and underway.

Completed to the owner's specifications, this 88 carbon features a handmade Scandinavian-style interior highlighted by exceptional visibility, high-end finishes and generous storage. Designed for owner operation or to run with a small professional crew, the 88 accommodates eight guests with a full-beam king size master suite, a VIP and two twin cabins along with crew quarters.

The large, versatile cockpit and exterior deck areas provide space to entertain guests and facilitate any on-the-water life-style activity.
