SPECIFICATIONS

Overview

An icon of high-level Italian shipbuilding. From Cantieri San Lorenzo the first fiberglass model that marked the turning point of production in the 80s.

A yacht built in 1988 and the subject of a very recent and complete refitting of both the hull and the interior.

It is in perfect condition, beautifully maintained and ready to sail with its two Caterpillar engines of 800 hp each and with approximately 1400 hours of operation.

Equipped with all the modern and current equipment in terms of navigation and entertainment, completed with a splendid stern bridge for swimming in the sea and for the shelter of the tender and a flybridge with fixed cover.

An excellent opportunity for a demanding owner in terms of style and functionality, a lover of luxury and comfort.

With its interiors and its three double cabins completely renovated with precious essences of wood and leather, it offers a welcome in line with the most demanding standards of luxury and design.
