Overview

The Riviera 3600 Sport Yacht provides the very best in al-fresco living, a single-level design combined with the comfort of a fully enclosed living area and helm station. The saloon and galley are on one level, and flow as one space into the cockpit via a large door and wide folding window. The cockpit is equipped with a lounge across the transom and a table that adjusts from compact coffee table size to an extended dining table. The 3600 Sport Yacht offers the security of a hand-laid fiberglass hull with independent compartments and a watertight collision bulkhead forward. The innovative and highly efficient tunnel hull and underwater exhaust systems, delivers a "big boat" ride and feel.
