SPECIFICATIONS

Overview

This 2019 Everglades 435CC is extremely well maintained by a full time captain & crew with only 100hrs on triple Yamaha 425hp outboards with joystick controls at both the upper and lower helms.

She features every major option available by Everglades including Seakeeper gyro stabilizers, tower, underwater lights, triple Garmin 7616 navigation units, Garmin radar, outriggers, head in the console with plenty of storage space & berth, etc etc.

With only 100hrs she has had very light use, never fished, and is easily viewed in Fort Lauderdale, Florida. In February 2022 she had her engines and all major machinery serviced with fresh bottom paint before going back in the water.

The owner is interested in a fast sale so inspections and offers are highly encouraged.
