SPECIFICATIONS

Overview

Chasing 90 is a proven Looper boat with only three owners. She started her most recent Great Loop in March of 2020 and crossed her wake in December of 2021. She is solid, runs great, includes many upgrades, with plenty of room, lots of storage and amenities including an enormous sun deck. Less than 2,300 original hours on reliable 3208 425 HP Caterpillars. The bottom paint is less than a year old and all the teak hand rails have been recently re-varnished. New Isinglass and white Stamoid top, aft deck heating/air conditioning. Truly a rare find in great condition with plenty of room both inside and out. She is a dream of a Looper boat!
